20TH INTERNATIONAL SYMPOSIUM ON AMYLOIDOSIS

The International Society of Amyloidosis (ISA) is proud to welcome you to the 20th International Symposium on Amyloidosis (ISA 2026), taking place in Montevideo, Uruguay, from November 15 to 18, 2026. This biennial event brings together leading experts and healthcare professionals from around the world to share the latest advances in amyloidosis research and care. We invite you to support regional or country-level participation through our Registration Partner Packages and help expand access to this high-impact scientific meeting.

ORGANIZING ENTITY

The International Society of Amyloidosis (ISA) is a professional, scientific, and medical society established to bring together clinical and experimental scientists involved in the study of amyloidosis. The purpose of this society is to promote research, education, clinical studies (including diagnosis and treatment), workshops, conferences, and symposia on all aspects of amyloidosis worldwide. ISA is a membership organization comprised of basic research scientists, and clinical investigators in the field along with physicians and other healthcare practitioners. ISA is a 501(c)3 US non-profit corporation registered in the state of Minnesota, USA.

REGISTRATION PARTNER LEVELS

To support participation from healthcare professionals, the International Society of Amyloidosis (ISA) is pleased to introduce a set of special partnership packages tailored to corporate organizations with local/regional interest. These packages offer discounted registration access for attendees along with exposure opportunities and optional discounts on exhibition space.

This initiative, branded as Registration Partner Packages, is designed to support local and regional sponsors in expanding access to ISA 2026. Obviously, global-level sponsorship packages are also available to all local and regional sponsors. For more information about global-level sponsorships, please contact the ISA Office (see below).

PREMIUM Registration Partner – USD 22,500

- 33 full registration passes (value USD 28,545)
- 15% discount on exhibition booth (if selected)
- 5% discount on a-la-carte sponsor items
- Recognition on dedicated "Registration Partner" section of website
- Name mention on onsite Registration Partner signage
- Opportunity to include 1 insert in delegate bag

MAJOR Registration Partner – USD 15,000

- 22 full registration passes (value USD 19,030)
- 10% discount on exhibition booth (if selected)
- 3% discount on a-la-carte sponsor items
- Recognition on dedicated "Registration Partner" section of website
- Name mention on onsite Registration Partner signage

MAIN PLUS Registration Partner – USD 10,900

- 16 full registration passes (value USD 13,840)
- 7% discount on exhibition booth (if selected)
- Recognition on dedicated "Registration Partner" section of website
- Name mention on onsite Registration Partner signage

MAIN Registration Partner – USD 7,500

- 11 full registration passes (value USD 9,515)
- 5% discount on exhibition booth (if selected)
- Recognition on dedicated "Registration Partner" section of website
- Name mention on onsite Registration Partner signage

KEY BENEFITS

- Support regional and country-level participation: By becoming a registration partner, you help to ensure that a broad group of healthcare professionals can attend ISA 2026, supporting both access and inclusivity.
- Invite guests of your choice: You can allocate the registration passes to physicians and healthcare professionals you choose to invite, so you can act as a host and cultivate professional relationships with your invited guests.
- Visibility as a Partner: While distinct from global sponsor levels, as a Registration Partner you receive proportional acknowledgment for your support. Your name or logo will appear in dedicated areas online and onsite to recognize your contribution to the meeting.
- Tailored add-on options: Registration Partners benefit from preferential rates on exhibition booths and selected a-la-carte sponsorship items. This provides an opportunity to enhance your organization's visibility during the symposium through physical presence, promotional inserts, or custom branding elements at a favorable rate.
- Professional alignment: Associating your organization with ISA 2026 aligns your brand with a high-profile scientific community and demonstrates a commitment to improving care and research in the field of amyloidosis.

CONDITIONS

- All registration passes must not be used by registration partner representatives and cannot be used by corporate representatives.
- No speaking privileges are included.
- Booth discounts only apply if a booth is booked in addition to the package.
- Packages are non-transferable and must be paid in full upon confirmation.

THANK YOU

We look forward to welcoming you as a valued Registration Partner and to working together to make ISA 2026 a truly inclusive and impactful event for the amyloidosis community.
